MECR-2022-7305 Status: Issued Application Date: 07/08/2022 Zone: RL RL Additional Info: Mechanical Base Fee: 1 WA State Contractors License #: Owner Description: Home has an existing natural gas fireplace that has not been used for several years and Cascade Natural Gas (CNG) removed the gas meter. All of the plumbing is in place. We have asked CNG to reinstall the meter. They required us to do a pressure test on the pipeline from the meter bar to the fireplace. We had Fire & Water Co perform this test on July 7, 2022. The line passed the test. CNG also required that the test be 'witnessed' by the City of Kennewick. I spoke with a very helpful woman at the city who advised me to obtain a mechanical permit and request an inspection. This is what this permit is meant to cover.
