SUMMARY OF CHANGES

1. Show promoter will open registration to returning vendors two weeks prior to opening registration to new vendors.
2. Show promoter has opened up approximately 10% of booth spaces for commercial, resale, and retail sales vendors to ensure bazaar booths are full and to allow for a broader range of items for purchase by event attendees. These vendors must still fit the brand for this event, and will be considered on a case by case basis.

Friday, Oct 14 / 12p – 6p and Saturday, Oct 15 / 9a – 4p

BOOTH AND VENDOR RULES

- Show promoter is the City of Kennewick Parks and Recreation Department.
- Show promoter reserves the right to exclude, without any recourse, any individual or items which violate the terms and conditions below or are deemed objectionable or inappropriate.
- Bazaar items must be homemade or hand crafted. A limited number of commercial, resale and retail vendors, including, but not limited to, wholesale, retail, and independent sales companies will be allowed to participate. This effort allows the show promoter to fill all booth spaces and ensure the experience offers a wide variety of products for event attendees.
- Vendors are prohibited from selling homemade baked goods, jellies or other foods. All gourmet food vendors and vendors selling food items, no matter the quantity, must prepare items in a Health Department approved kitchen, have the required permits, and have filed the proper documentation with the Benton Franklin Health Department. The required guidelines are outlined and enforced by the Health Department, not the City of Kennewick. It is the vendor's responsibility to ensure these requirements are met and to provide the City of Kennewick copies of all the required documents.
- Vendors are not permitted to sell or offer for sale anything that is of an unwholesome or deleterious nature; or to resort to trickery, concealment, artifice, or untruth for the purpose of concealing or misrepresenting the true nature of merchandise sold; or to resort to any unfair dealing or to cheat any person in any manner; or treat any persons in a rough, vulgar, profane or abusive manner.
- Show promoter will assign booth locations on a first-come, first served basis, while working to create a flow of various types and styles of merchandise and in consideration of creating the best customer experience possible. Show promoters do not guarantee the same booth space and location from year to year. Vendors will receive space assignments at check-in on the day of setup.
- Vendors will receive three vendor badges that serve as your admission to the show. Additional badges are available for \$5 each, limit 3.

FREQUENTLY ASKED QUESTIONS

10. Is Wi-Fi service guaranteed to vendors? No. There is secure vendor wifi connectivity at the Numerica Pavilion. The Wi-Fi service provided in the facility may not be able to accommodate all Vendor's for this large event. It is **STRONGLY** suggested you familiarize yourself with your device and your cellular provider's plan and service connection. This could impact the performance of credit/debit card readers while inside the Numerica Pavilion. City of Kennewick staff and volunteers are prohibited from assisting vendors with their electronic devices.

11. Why is there an admission fee? Charging admission is a value to you, the vendor. A customer that pays admission is a customer anticipating purchases. In addition, the Harvest Bazaar has grown immensely. The admission fee helps offset the expenses of event coordination and operations.
