

Project Notice / Aviso de Proyecto

P2112 Steptoe St & Arrowhead Ave Traffic Signal

Dear Resident,

The City of Kennewick is planning for an improvement project to add a traffic signal at the intersection of N. Steptoe St. and W. Arrowhead Ave. The purpose of this new traffic signal is to improve safety for vehicles accessing Steptoe from the adjacent neighborhoods as well as improving pedestrian movement.

Project Schedule

The planning process began this year for design. The estimated timing for construction is fall of 2022.

What to Expect

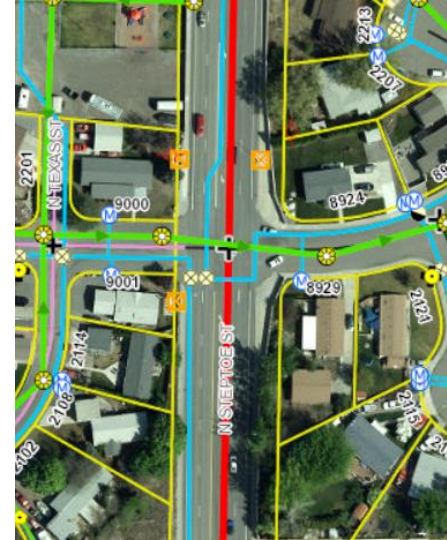

Owners of adjacent properties within 300 feet of all four corners of the intersection are being notified that City survey staff as well as utility locate marking personnel will be on site collecting data necessary for the design of the project. Design of the improvements is proceeding and will continue into 2022.

Project Updates

The City's Current Projects web page will provide information during the design phase. The project page is located at the link below:

<https://www.go2kennewick.com/597/Projects>

The City of Kennewick is committed to completing this project in a timely and efficient manner, with as little impact to the public as possible.
