

Notice of Construction

2022 Sidewalk Repair Project

Dear Resident,

The City of Kennewick will be constructing pedestrian improvements throughout the city including the removal and replacement of curb, gutter, sidewalk, and pedestrian ADA ramps. The work will take place at various sites throughout the city and will require both vehicle and pedestrian traffic control measures.

Project Schedule

This project is anticipated to begin Monday, July 11th, 2022 and is estimated to be completed by the middle of September 2022.

What to Expect

Construction activity will include the use of large construction equipment and require traffic control around the project sites on weekdays between the hours of 8:30 a.m. and 3:30 p.m. Temporary traffic control and pedestrian detours will be used during the concrete removal and replacement. Access to driveways and side streets will be maintained at all times.

Project Updates

The City's Current Projects web page will be updated with relevant information during construction. The project page is located at the link below.
