

Notice of Construction

P2301 2023 City-Wide Asphalt Overlay

Dear Property Owner,

The City of Kennewick will be removing and replacing the existing pavement surface on the following streets. This work will also include the removal and replacement of a significant number of pedestrian ramps at street intersections.

W. 10th Ave. - S. Union St. to US-395
W. Canal Dr. – N. Columbia Center Blvd. to N. Kellogg St.

Project Schedule

This project is scheduled for Summer of 2023.

What to Expect

During the initial design process, you will notice employees from the City of Kennewick and other utilities will be taking photos and marking up the roads with spray paint for utility locates.

The construction of this project will require the use of large construction equipment and will require the closure of multiple lanes of travel. This work is schedule to take place at night for Canal Drive between the hours of 8:00 p.m. and 6:00 a.m. The work on W. 10th Avenue will take place during the day between the hours of 8:00 a.m. and 4:30 p.m.

While the contractor is replacing pedestrian ramps, temporary pedestrian detours will be in place. For your safety, please follow the posted detours.

Extended delays are to be expected during the planing (removal of the existing pavement) and paving operations, however, access to driveways and side streets will be maintained at all times with only temporary impacts.

Project Updates

The City's Current Projects web page will be updated periodically with relevant information during construction. The project page is located at the link below.

<https://www.go2kennewick.com/599/Future-Projects>

The City of Kennewick is committed to completing this project in a timely and efficient manner, with as little impact to the public as possible.
