[Tri-Cities, Wash] – Are you ready for a SPOOKY Halloween day in Columbia Park? Join the City of Kennewick for a Flick-or-Treat Halloween event, presented by Grocery Outlet and Numerica Credit Union. From 2-4 pm on Halloween, don your best costume and swing by Columbia Park, just west of the Playground of Dreams. The first 1,000 kids will get a goodie bag filled with candy, then stop by our fun photo stations (which includes a Kennewick fire truck, Kennewick police car and a Halloween backdrop) and take your Halloween pictures, and enter our costume contest sponsored by Horse Heaven Hills Kiwanis. All of this is done drive thru style, where you pull up to one of the stations, hop out of your car (one family at a time) snap your picture and then move to the next station. Prizes will be awarded for cutest, funniest, scariest, best group and best overall costume. This portion of the event is free and does not require registration.

Then get your tickets for one or both of our Halloween flicks – Carpool Cinema style. Your family will enjoy an old-fashioned drive-in style movie on an 11' by 19' LED board with audio sent directly to your vehicle via a radio transmitter. Each showing is \$9 per carload (no RV's or trailers) and includes a large bag of popcorn. Carloads are encouraged to bring additional drinks and snacks. Restrooms are available but at a limited capacity. Tickets must be pre-purchased online for the Carpool Cinemas flicks.
